

# UNI NET TUN

**Degree courses for a new students generation**

# Aims

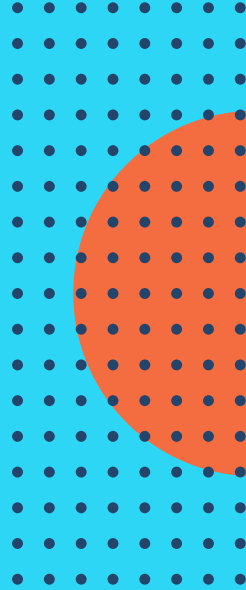

**Blended program**  
(online / face-to-face)

Campus of the university partners in Europe and all around the world.

**International mobility**

- Studying online on UNINETTUNO platform;
- Period of study abroad.

# Target

○ Students Under 24;

○ Bachelor in Economics and business management or IT Engineering;

○ «Italians» and «international» students.

# The Project

UNINETTUNO<sup>+</sup> students will:

- Study **online** on the UNINETTUNO e-learning platform;
- Complete a **period of study abroad** on the campus of one of the partner universities;
- Obtain **training credits** from the partner university;
- Being **recognized** by UNINETTUNO of the credits taken from the study abroad period, for the achievement of the final degree.

### Strong points:

- **Flexibility** of the online study;
- Face-to-face period of study on an international university **campus abroad**;
- Enriching the **cultural background**;
- Learning from an **international study experience** and becoming a world citizen.

# The Study Approach

Uninettuno<sup>+</sup> students, students will obtain:

- Italian bachelor's degree plus the credits of the related university;
- Certificate issued by the partner university where they will complete the study period.

Students enrolled in the Uninettuno<sup>+</sup> program will be able to consolidate their curriculum with a foreign qualification in addition to the Italian one and experience abroad in the strategic sectors of Economics, Business Management, and IT / Computer Sciences.

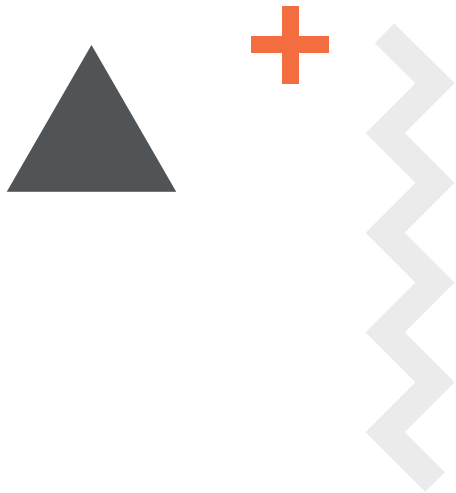

UNINETTUNO will conclude individual agreements with partner **for recognizing the credits** obtained during the period of study abroad.

The agreements will be made by including the study programs offered by the partner university according with the study plans of the UNINETTUNO  degree courses.

# Mode of Study

### **Online study period:**

- Studying online with the **UNINETTUNO** model of teaching and learning by distance.
- Undertaking work and internship activities.
- Enjoying all the benefits that an e-learning experience can offer.

### **Campus study period:**

- Scheduling the activities and courses following the agenda of the campus.
- Using all the facilities of the campus.
- Enjoying all the benefits that a campus experience can offer.

# How to Join

The admission process for Uninettuno<sup>+</sup> degree courses will take into account certain requirements:

- Academic level;
- English language;
- Personal motivations.
